

Would your business be more profitable if you had funds for:

- Inventory? —● Advertising? —● New Equipment?
- Emergencies? —● Payroll or Taxes? —● Expansion/Remodeling?

First Advance Funding is your working capital solution.

We specialize in offering retail, restaurant and service businesses a unique funding solution.

Basically, we will purchase a percentage of your future Visa/MasterCard/Amex/Discover/Diners receipts and advance those funds to you up-front.

You use the money without restriction. We then deduct a small percentage daily from your future credit card sales.

We are investing in your business. You use the funds to build and grow. We collect from your growth.

GROW YOUR BUSINESS WITH UP TO \$250,000!

How it Works

Quick & Easy Funding Process.

- We provide a working capital advance to small and medium sized businesses, it is NOT a loan.
- We purchase a portion of your future Visa/MasterCard/Amex/Discover/Diners sales at a discount. Essentially, we are investing in the future of your business.
- Sign and return our agreement along with the required documentation.
- Within a week, we will deposit the advance funds directly into your business bank account.
- We will then collect an agreed upon percentage of your daily credit card sales, through one of our bank partners.
- That's all. You can then begin using your money, in any way you choose, to grow your business.

Why Use Us?

Flexible Programs.

- We are not a bank or lending institution.
- We provide working capital when traditional lending institutions may not.
- Capital advances from \$10,000 to \$250,000.
