** Please note – we will not take any reservations unless we have a Visa card on file. We operate like any hotel where the Visa card is our security, We do not charge now a security deposit on all stays but should the guest cause any damage beyond normal wear and tear or take any suite contents, the guest agrees to charge the repairs or replace any contents to their credit card.
 We charge up front for your stay, what i can do is if the Canadian dollar gets stronger, i will cover the difference between todays rate and the rate at 45 days before your stay.
