

The Ultimate Video Guide to Vancouver Neighbourhoods

Your best real estate and lifestyle guide to Gastown, Coal Harbour, the West End and more.

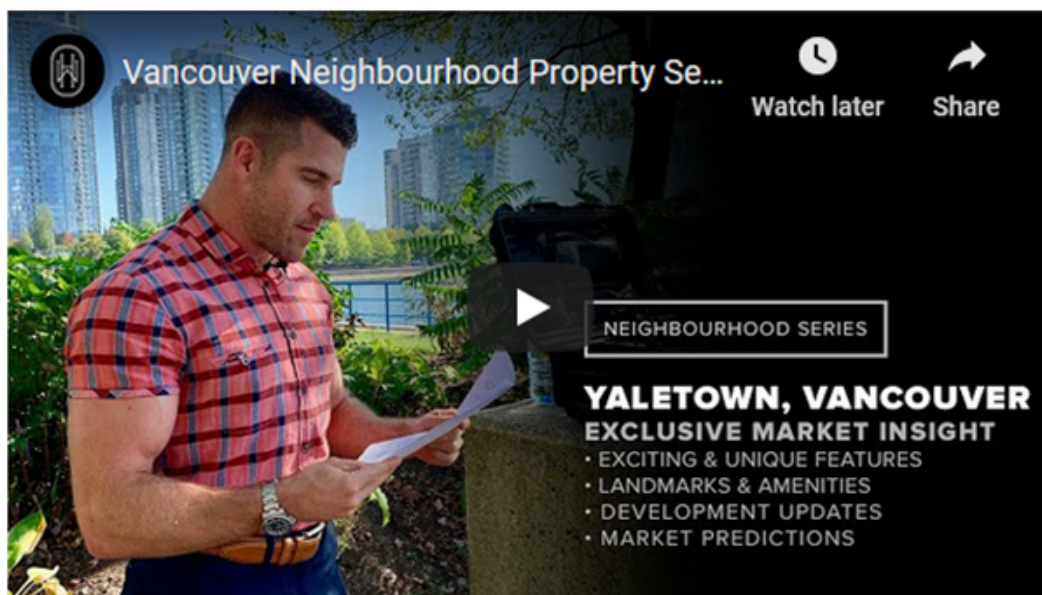

By Shawn Brown, West Haven Group May 13, 2020

Location, location, location. It's an old real estate cliché, but it's hard to put a price on the value of truly loving where you live. In a city like Vancouver, it pays to understand the unique character of each neighbourhood before making a home buying or rental decision.

REW is happy to feature this video guide to Vancouver's neighbourhoods from Shawn Brown of the West Haven Group. Use the videos below to take a trip to different parts of the city, learn what makes each area unique, and see how your lifestyle fits into what Gastown, Coal Harbour and the rest have to offer.
